

Gerald Desmond Bridge Replacement Project

Caltrans • Metro • Port of Long Beach • US Department of Transportation

Short-term Closure

As construction continues for the Gerald Desmond Bridge Replacement Project, temporary nightly and weekend closures are necessary in the vicinity of Pico Avenue and Ocean Boulevard to facilitate installation of falsework over Pico Avenue and the WB on-ramp to Ocean.

These closures will affect Port traffic headed to Terminal Island (Piers S-T) and San Pedro, and Port traffic that uses Pico Avenue to travel between Piers A-D and Piers E-J.

Phase 1: DECEMBER 14 – 24 Pico Avenue On-Ramp to WB Ocean Blvd.

During this closure, traffic on SB Long Beach (710) Freeway and SB Pico Avenue will be unable to access the primary Ocean Boulevard detour to reach Piers S-T and San Pedro.

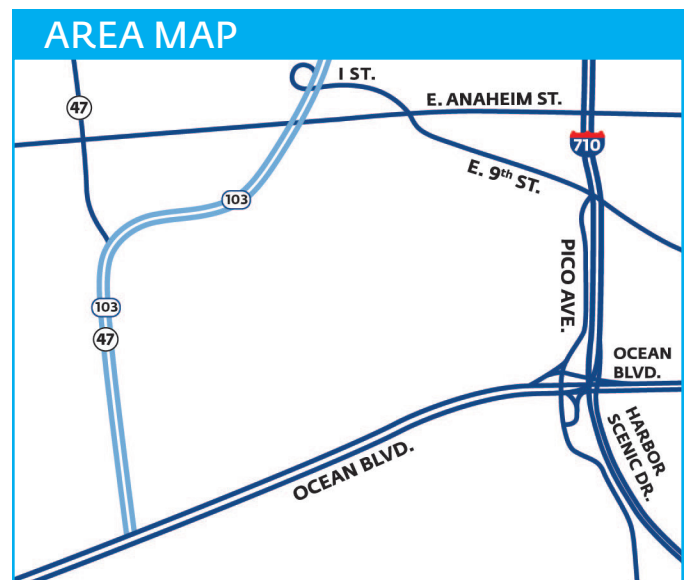

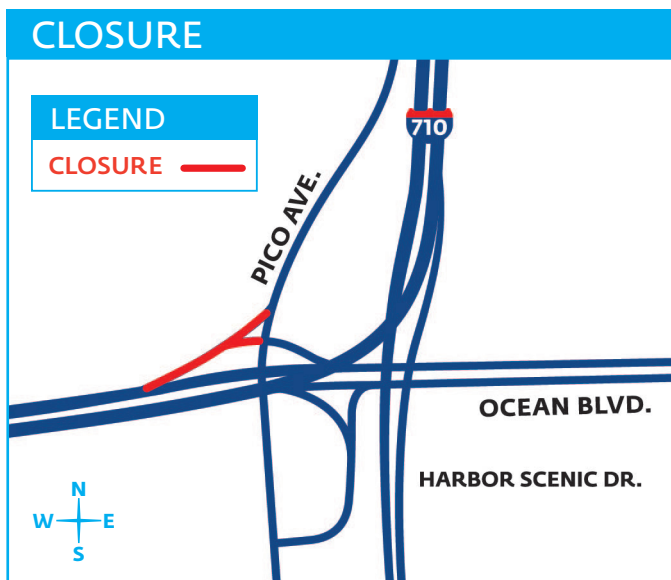

DURATION:

Mon. Dec. 14 - Thu. Dec. 24: closed nightly 9 p.m. to 5 a.m.

DETOUR:

From SB I-710 to Reach Piers S-T and San Pedro: Exit at Anaheim Street. Head west to use SR-103/SR-47 south to rejoin Ocean Boulevard.

From Pico Avenue to Reach Piers S-T and San Pedro: Take northbound Pico Avenue to 9th Street west, continue to I Street. Take SR-103/SR-47 south to rejoin Ocean Boulevard.
