Dear Friend,

For the 15th year, we are proud to be a trusted partner with the **ILWU Tri-Party Golf Challenge** in support of MemorialCare Miller Children's and Women's Hospital Long Beach. This outstanding annual charity event has been critical in supporting the leading-edge, compassionate care to our community's children and families as one of the top children's hospitals in the nation.

We are very honored by this 15-year partnership with the **ILWU Annual Tri-Party Golf Challenge, resulting in more than \$546,000 raised to-date** for Miller Children's and Women's – an extraordinary accomplishment!

The ILWU's philanthropic efforts have directly supported life-saving programs including: Neonatal Intensive Care Unit, Pediatric Hematology Oncology Unit, Pediatric Transport Program, Pediatric Intensive Care Unit, and many more. ILWU's support has helped to not only provide direct support for patient programs, but to also keep our care teams at the forefront of medical advancement through clinical education and research programs, and to help build new facilities and purchase new technologies to improve the lives of countless children.

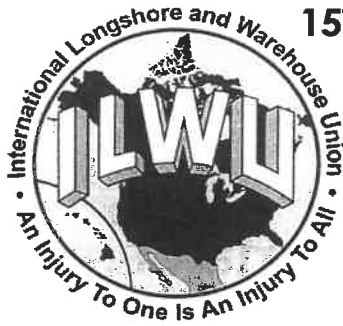

We hope you will consider sponsoring the **ILWU Annual Tri-Party Golf Challenge**, with this year's proceeds supporting our new **Children's Village** at Miller Children's & Women's. This new state-of-the-art four-story, 80,000-square-foot facility will provide integrated, one-stop-shop care for all outpatient pediatric services in Long Beach. When this extraordinary facility is completed in 2021, it will provide a higher standard of care for the children of our region.

On behalf of our clinicians and medical staff, and most importantly, the families and children that we serve, **thank you for your generous consideration!**

If you have any questions about the Children's Village please contact our office at (562) 933-4483.

Sincerely,

Sharon Thornton, J.D. LL.M.
President
Memorial Medical Center Foundation

Our Beloved Community,

We have been coming to you for the last 15 years asking for donations. Every year "you", the local business owners have stepped up to the plate. We are proud to say, last year you helped us raise \$110,000 for Miller Children's & Women's Hospital Long Beach. Making last years tournament the most successful tournament we've ever had!!

With that being said, the bar has been raised and now we have to try and beat our previous mark! So here we are going door to door, face to face, walking our community trying to gain your support once again. We appreciate your support and hope to gain your continued support.

It takes hard working communities like ours to make a difference in the world! Help us make a difference by changing someone's life! "Together" we can make an impact on someone else's life, be it by surgery, getting medical care they can't afford; treatment by specialist. By supporting this great cause that's exactly what you are doing, impacting lives!

Please open your hearts and try and find a way to help support. You can help us by making a donation for a tee box sign, raffle prize, auction item, etc. We want to thank you in advance, and appreciate your support. I hope all that supported last year saw our newspaper ad thanking you all! Once again, thank you!
