## MEMORANDUM

---

**TO:** All ILWU Locals, Affiliates, Auxiliaries and Pension Groups  
**FROM:** Edwin R. Ferris, International Secretary-Treasurer  
**SUBJECT:** Biden Campaign Phone Banking  
**DATE:** October 2, 2020

---

On behalf of the ILWU Titled Officers, I am writing with an action alert to all locals, affiliates, auxiliaries, and pension groups to participate in phone banking in support of Joe Biden in swing states.

The 2020 presidential election is the most important election of our lifetime. The outcome of this election will determine the future of our democracy, the Supreme Court, and how we function and survive as a union. The implications of another four years of President Trump at the helm are devastating to both our union and our country.

This is why we need your help.

The Biden Campaign is hosting weekly phone banks in swing states until election day. Please contact the International if your local is interested in participating so that we can provide details on training and schedule days to phone bank.

We hope that we can count on you to preserve our democracy and protect our union.
