

Alex's Lemonade Stand 

**\$106,700  
THANKS!**

Alex's Lemonade Stand Foundation (ALSF) emerged from the front yard lemonade stand of 4-year-old Alexandra "Alex" Scott. She was fighting cancer and wanted to raise money to find cures for every child stricken with cancer. Her spirit and determination inspired others to support her cause. When she passed away at the age of 8, she had raised \$1 million. Since then, the Foundation bearing Alex's name has evolved into a national fundraising movement. Today, ALSF is a leading funder of pediatric cancer research in the United States and Canada raising more than \$250 million, funding over 1,000 research projects and providing programs to families affected by childhood cancer.

One organization that Alex inspired is the International Longshore and Warehouse Union (ILWU). In 2012, the ILWU began to hold Southern California fundraisers to support ALSF and fight childhood cancer. Last year, the pandemic forced us to go virtual. Our fundraiser, named ILWU Walk the Coast, decided to appeal to all our union's locals, industry companies, pensioner groups, federated auxiliaries, and friends to participate. From Alaska, Washington, Oregon and California, those you see here answered the call to the tune of \$106,700! This is our way to acknowledge and say THANK YOU to those that made 2021 another successful year. Our total donations to ALSF are now over \$905,000. More work needs to be done. Cancer strikes without regard to race, gender or economic standing. We are grateful and THANK each and every supporter.
