FOR IMMEDIATE RELEASE

Overnight Closures of Vincent Thomas Bridge for Roadway Repairs

A full southbound closure will occur on August 28

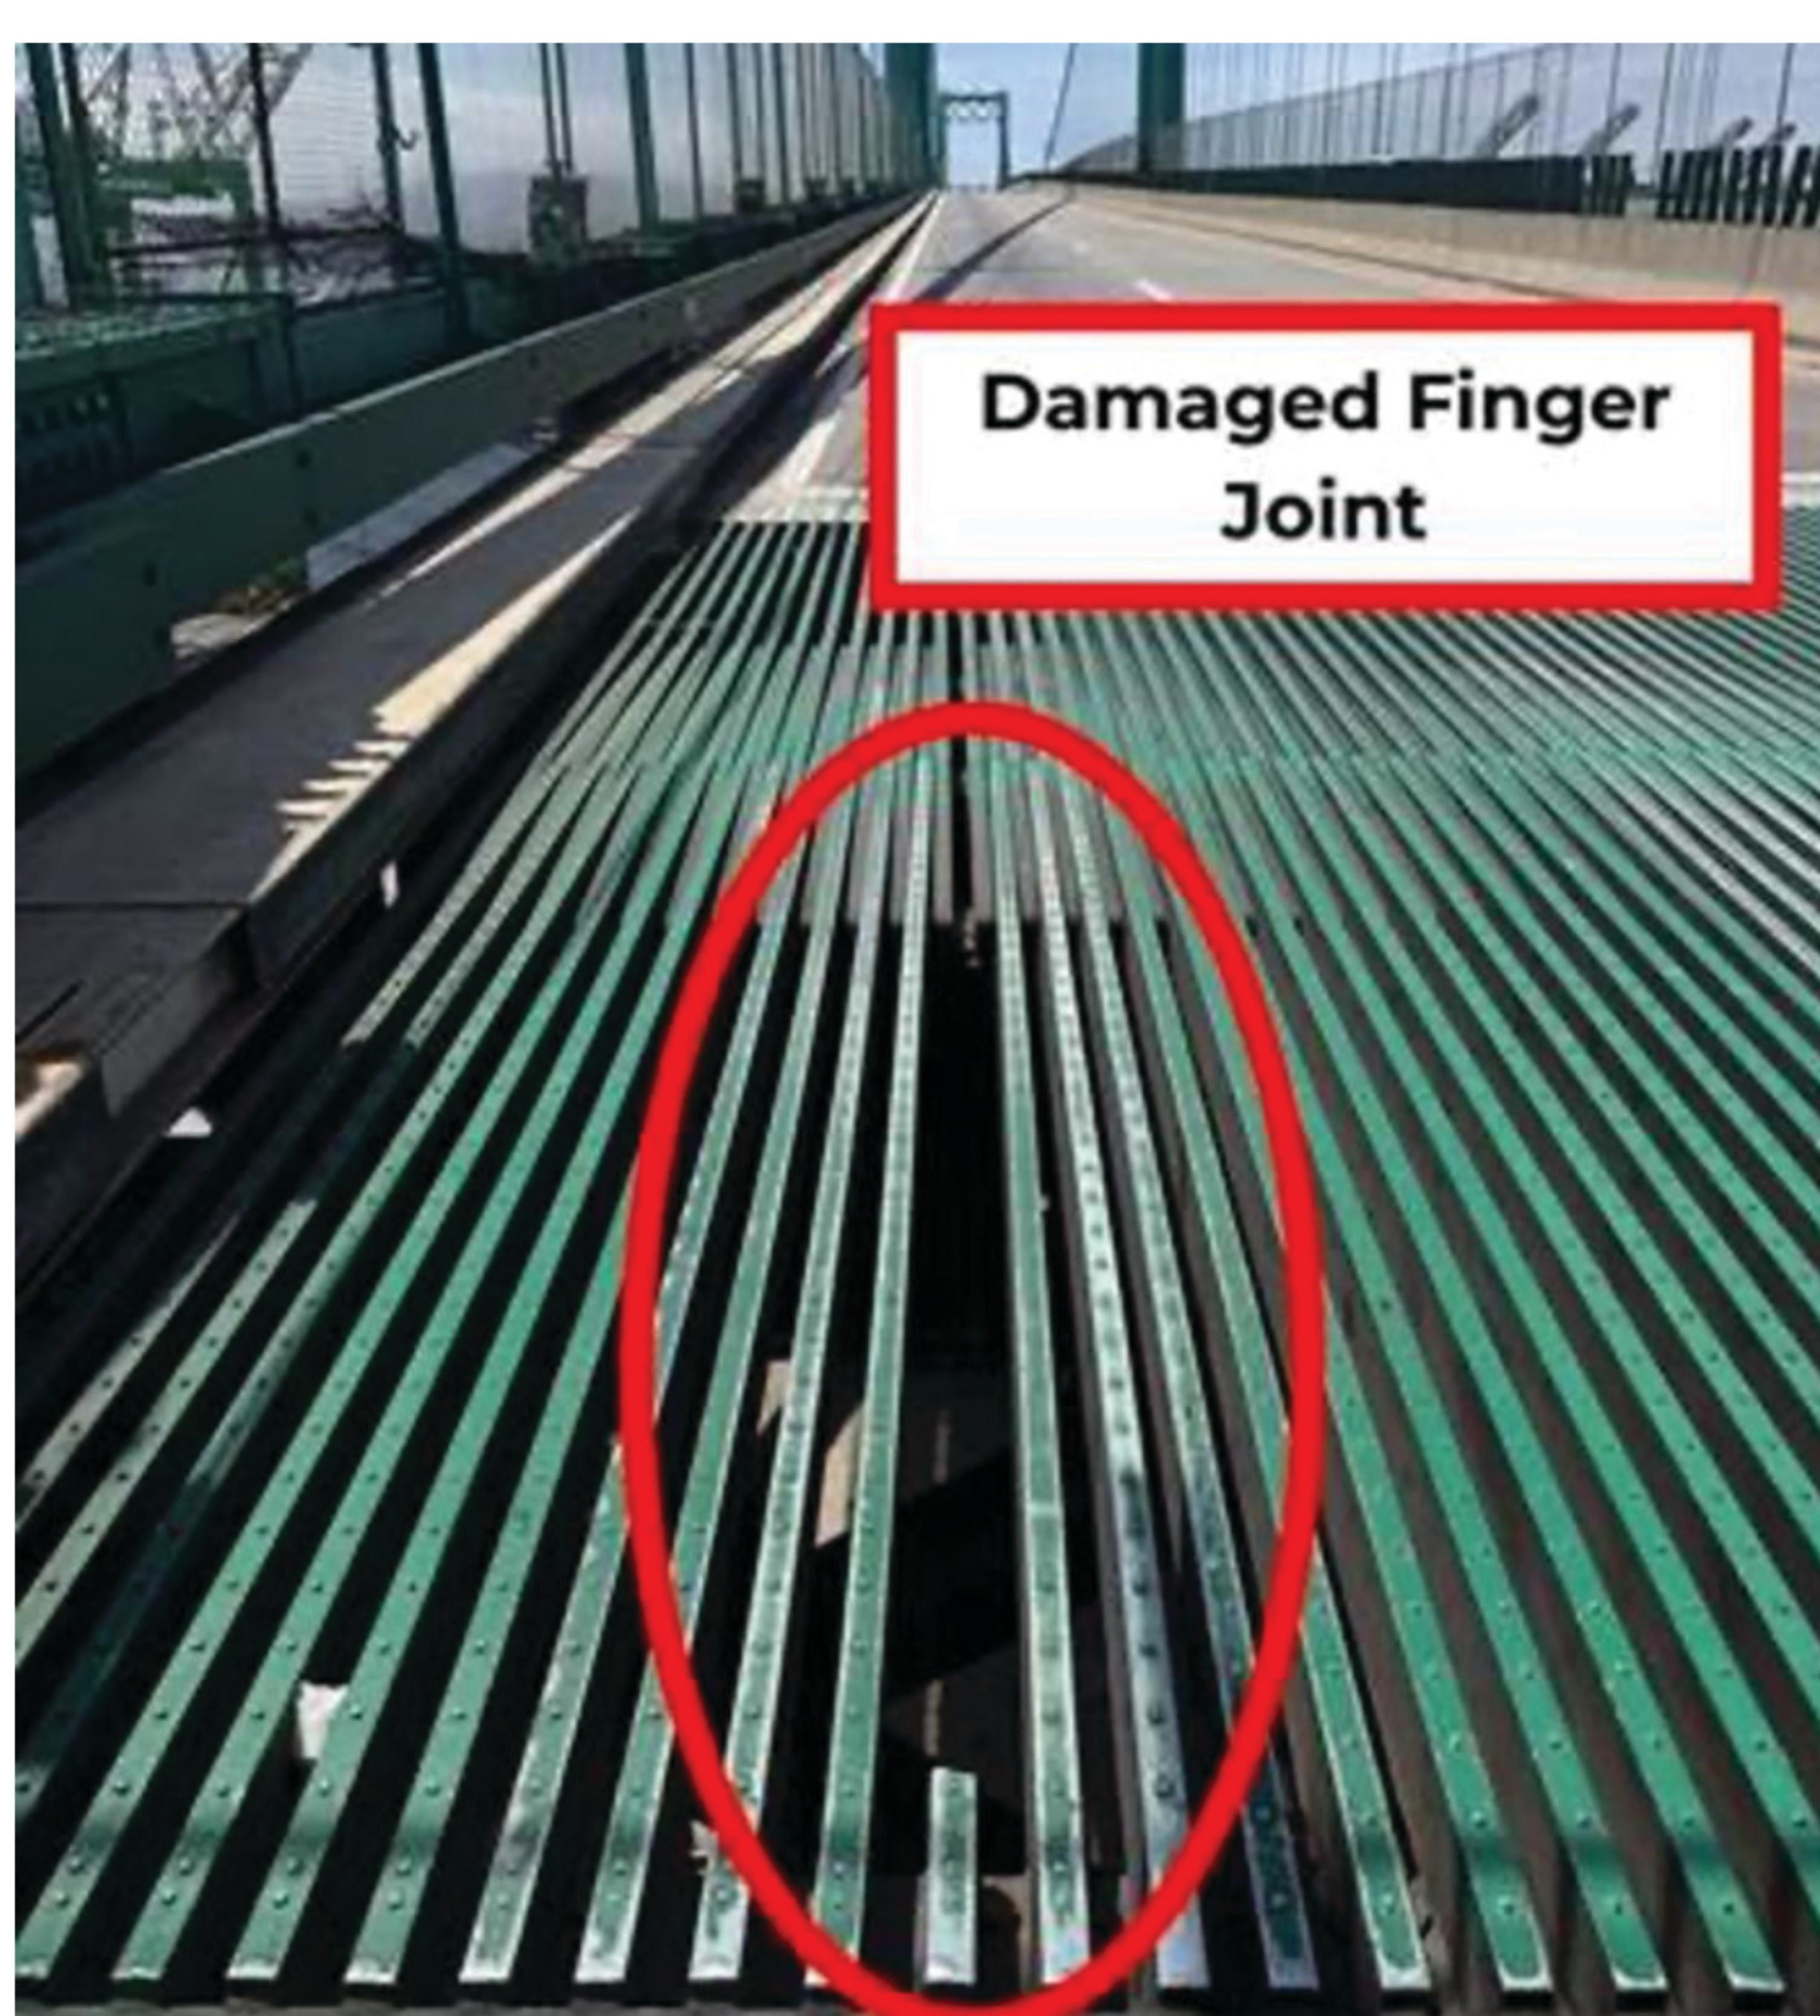

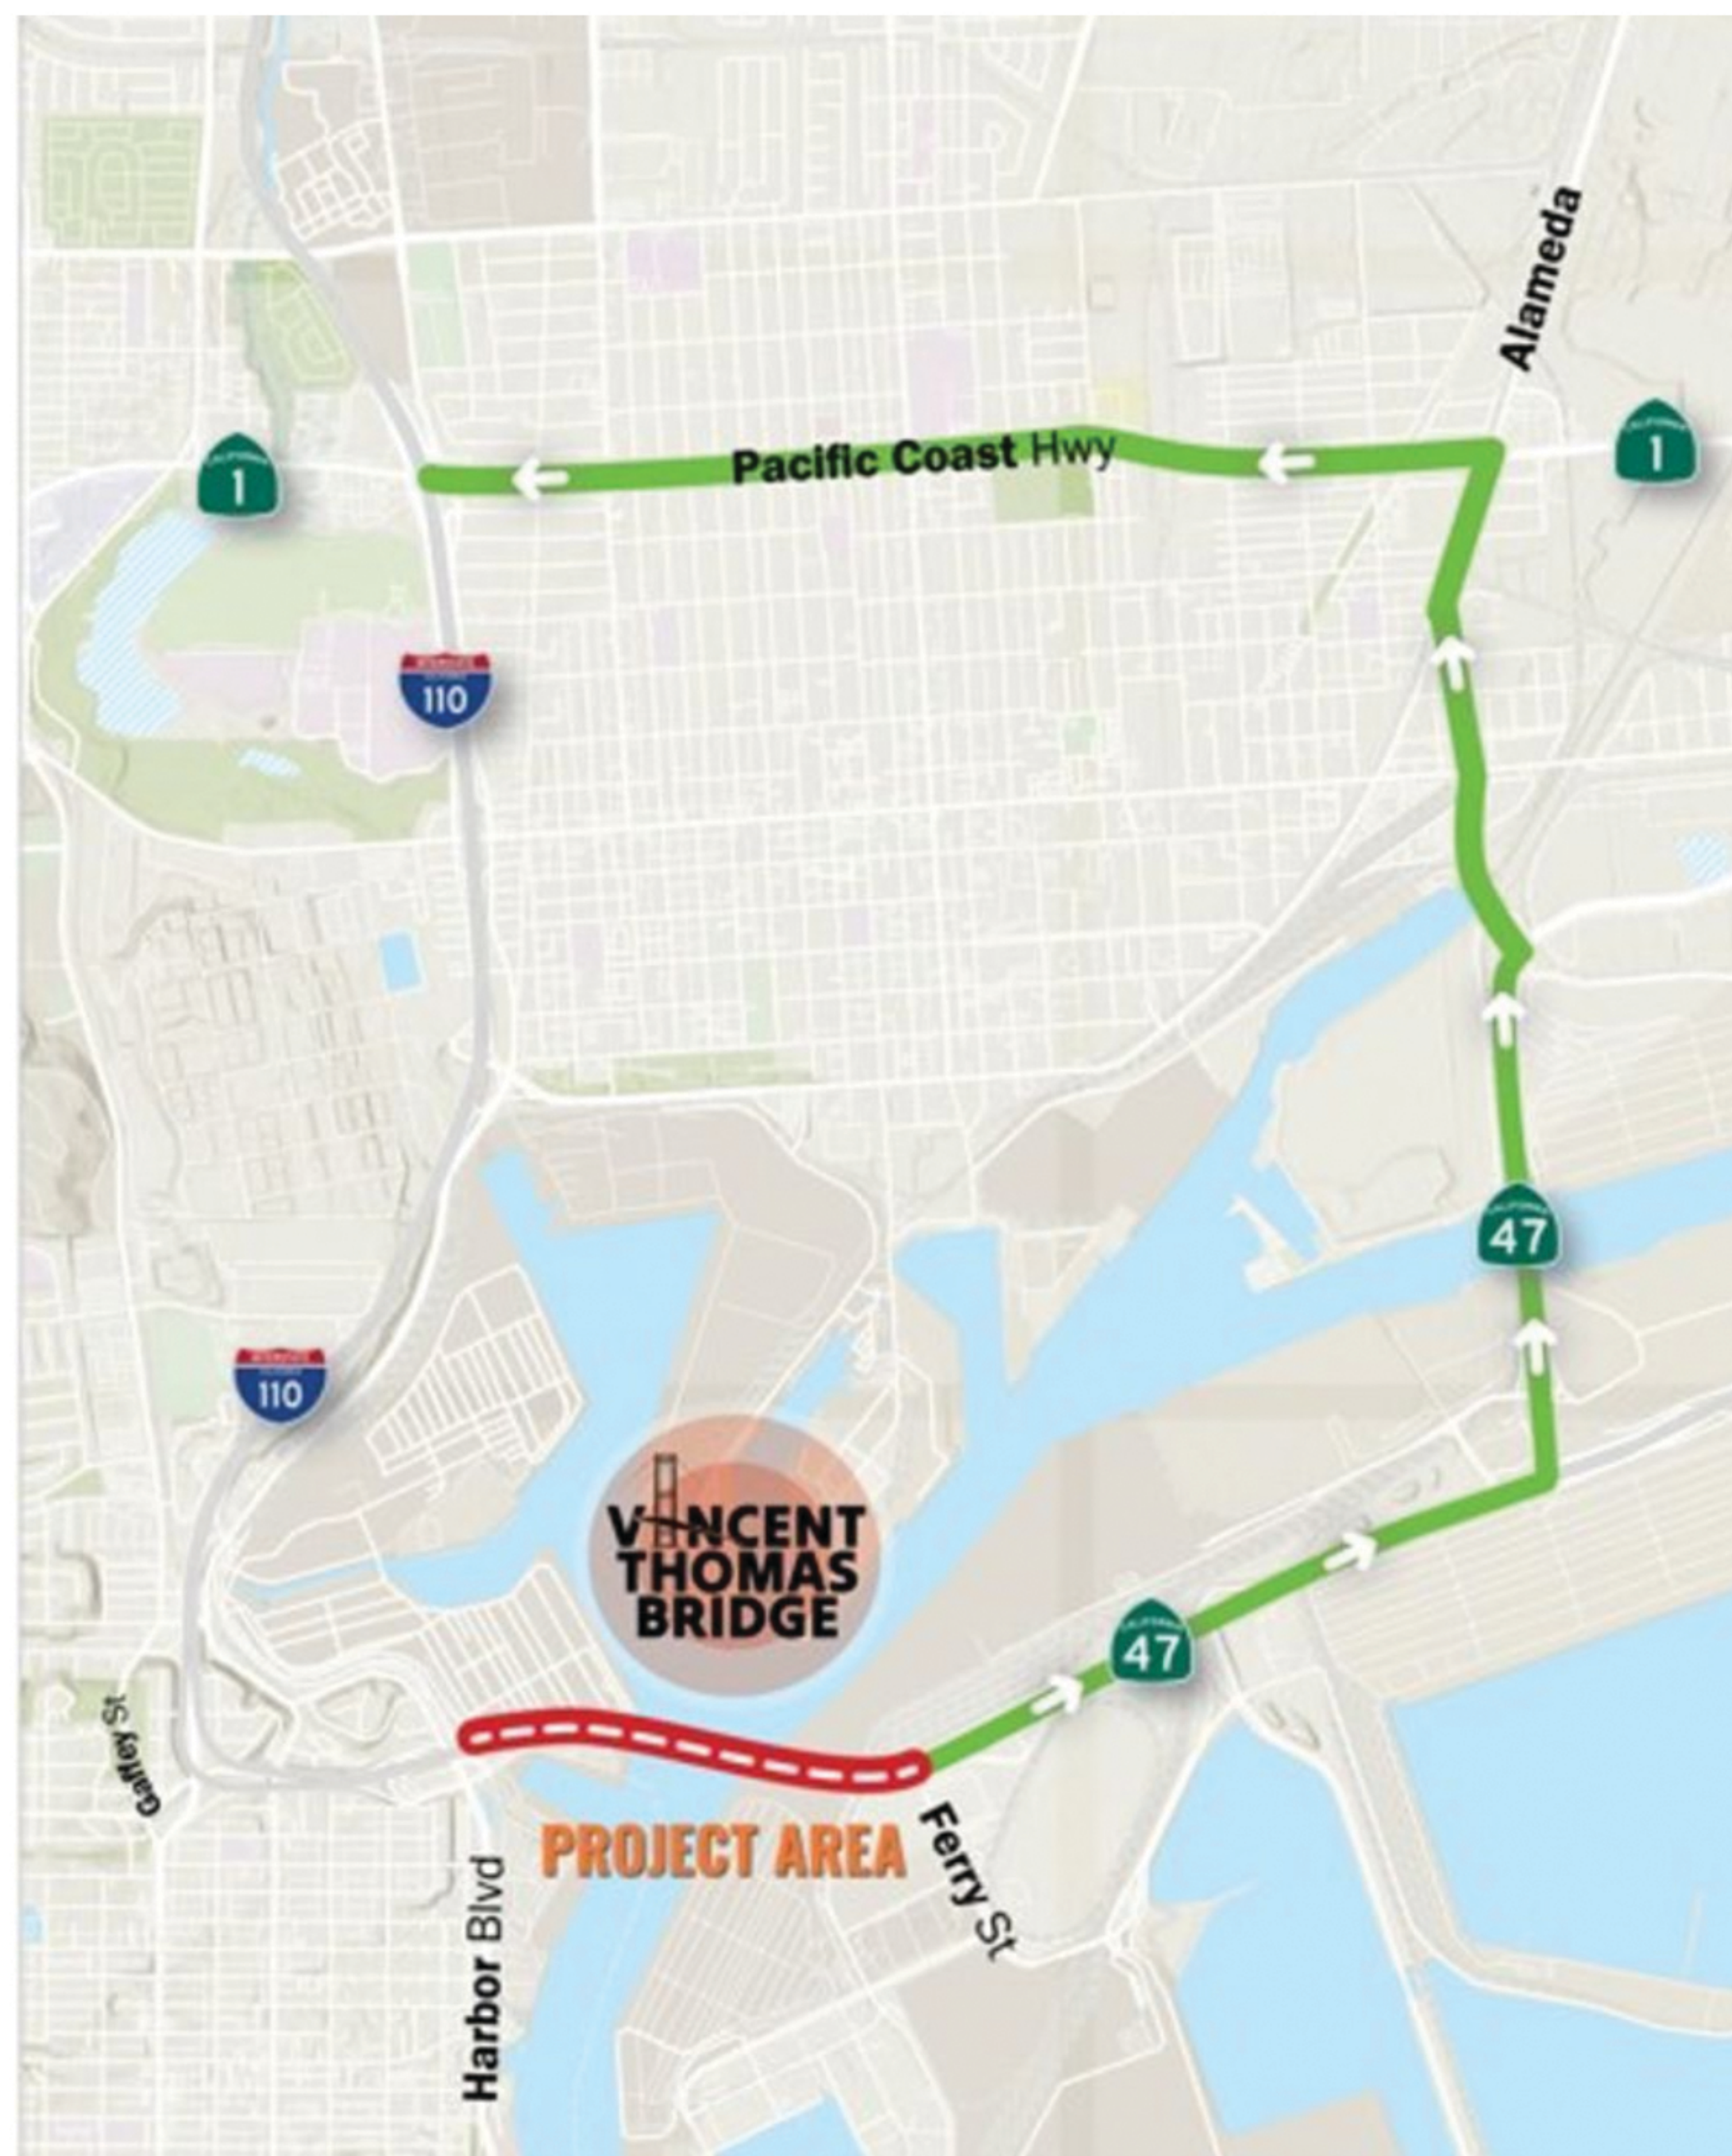

San Pedro — Caltrans announces multiple overnight closures of the Vincent Thomas Bridge, beginning the evening of Wednesday, August 27, for finger joint repairs.

The following closures of the Vincent Thomas Bridge from 7 p.m. to 6 a.m. each night, are as follows:

- **Wednesday, August 27:** Southbound lane closure between Ferry St. and Harbor Blvd. One lane will remain open to motorists.
- **Thursday, August 28:** Full southbound closure between Ferry St. and Harbor Blvd.
- **Friday, August 29:** Northbound lane closure between Harbor Blvd. and Ferry St. One lane will remain open to motorists.

During the full southbound closure on Thursday night, traffic will be diverted from **southbound State Route 47 (SR-47) to westbound State Route 1/Pacific Coast Highway (SR-1)**.

Motorists should expect delays when utilizing the Vincent Thomas Bridge and use Caltrans [Quickmap](#) to review current traffic conditions before traveling. Caltrans reminds drivers to exercise increased caution near the closure and **Slow for the Cone Zone**.
